STUDENT/PARENT ADJUSTMENT

Although our School and staff attempt to meet the needs of the majority of its families, at times, often because of circumstances beyond our control, we may be unsuccessful in our endeavors to meet everyone's expectations.

In the event that the School determines in its sole discretion, that any child or parent is unable to adjust to the School or programs, we reserve the right to withdraw services upon giving two week's notice in which case the program and tuition agreement shall be terminated. Payment for the remaining months will be returned to the family.

Our school is committed to delivering a high quality academic program which is safe and respectful to our students, staff and families.
